INJURIES & ILLNESS

At Marmadukes Daycare, LLC, we strive to provide you and your dog with the best care possible. Although animals are always supervised, injuries can still occur even with the closest supervision. While playing together, dogs can get scratches, cuts or sprained joints. Such injuries are rare, but they happen at all dog daycares. In addition, while infrequent, dogs can get into fights. Common areas for bites are the snout, ears, scruff and paws. At Marmadukes Daycare, we have a strict procedure to screen dogs for any aggressive behavior and we do not allow aggressive dogs to interact with daycare dogs in play groups. However, even the friendliest of dogs can get into fights with little or no warning. In addition to injuries, it is possible for dogs to transfer illness such as kennel cough, even with the required vaccines and boosters. Such illnesses do not occur often, and all dogs must have required vaccines to enter daycare. If your dog does not have the listed vaccinations or expired vaccinations, your dog will NOT be allowed to enter Marmadukes Daycare and will not be allowed back until any and all vaccinations are up to date with proof. _____

AGE & GENDER All dogs must pass evaluation before being accepted into daycare. Dogs must be at the appropriate age with up-to-date vaccinations/boosters. All dogs must be spayed or neutered by 6 months of age to attend daycare and/or boarding. _____

PAYMENTS & PACKAGES Payments are due in full before picking up your dog at the end of his/her daycare day. We do not allow clients to build a tab. If you leave a balance on your account, there is a \$5 late fee for each business day it is left open. Packages **are NON-REFUNDABLE**. If you have zero daycare days left on a package, you must buy another package or pay for the day before picking up. **NO EXCEPTIONS!** _____

PHOTOGRAPHS I understand that photographs, videos and/or digital recordings of the facility pets, customers and staff are taken on a regular and daily basis in use for advertising on social media such as Facebook, Instagram and the Marmadukes website. I acknowledge that all images, together with prints and copyrights, therein are property of Marmadukes Daycare, LLC. I give permission to Marmadukes Daycare, LLC to use such things of my dog(s) without having to contact me beforehand. I waive my right to approve finished photograph, advertising copy, print material or electronic files that may be used in conjunction with the images. _____

LEASH LAW Here at Marmadukes Daycare, we demand that you keep your dog on a leash at all times. Your dog must be leashed when being dropped off and picked up. This includes to and from the care, through the parking lot, in the lobby and when in the hands of our staff. If you do not abide by this rule, you will be asked to leave, and you will not be allowed back to Marmadukes Daycare. No exceptions. We take this rule very seriously. Dogs off leash are at risk of many injuries including but not limited to dog fights, biting other humans/dogs and even death. Marmadukes Daycare wants to keep your dog as safe as possible. By leash your dog, you are saving his/her life! _____
